Department of B.Com (Accounting & Finance)

Industry Connect Webinar

On the 3rd of December 2021, B.Com (Accounting & Finance) department organized a webinar session for the 2nd year students of B.COM Accounting and Finance (2020 Batch). The event was successfully conducted using the platform zoom. The webinar began with a welcome address and chief guest introduction by Prof. Nagamani.

The chief guest of the session was Mr. Sai Manikanta Pedamallu who was able to firmly establish the overall theme of the session with his brief intro about the topic "Job opportunities for CMA candidates, Industry experiences, and plausible job roles". The medium of conveying the topic was executed with an informative power point presentation containing a detailed analysis on the topic. Various sub-topics were also analyzed like skills acquired with CMA, the competencies involved, some already qualified CMA holders, and some extra information on the intricate jobs that could be explored with this title.

The session was concluded successfully with a small Q&A session and a vote of thanks given by Shubham Sankar Bardoloi (20-UAF-011).
