

LOYOLA COLLEGE, CHENNAI

DEPARTMENT OF B.COM (HONOURS)

Statistical Package for the Social Sciences (SPSS) Foundation Workshop-2020

A four day virtual workshop was organised for the final year students of B.Com (Honours), from 10th November, 2020 to 13th November, 2020. Basic knowledge of SPSS is vital for all students before they commence their research project. Realising this need, a workshop was conducted for all the 40 final year students and the faculty of the department.

The guest speaker for the workshop was Dr. B. Ruban Raja, Asst. Professor-Department of Statistics, Loyola College. Dr. R. Leema Rose, Coordinator introduced and welcomed the guest faculty. The workshop addressed the fundamentals of research, hypothesis testing, statistical tools & data analysis. Various statistical tools like T-test, Regression, Chi-Square analysis were demonstrated practically each day for the student's benefit.

The students cleared the doubts in the end of every session and found it beneficial to undertake their research project. Mr.Savrang, thanked the guest faculty on behalf of all the students on the final day of the workshop.
