

STUDENTS OF ANIMATION VISITED BENGALURU FOR AN INDUSTRIAL VISIT

A group of 41 students, III B.Voc., 3D Animation, along with two teaching faculty had an eventful Industrial Visit to Bengaluru from 17th-22nd September 2018. Students visited Hula Entertainment Studios getting hands on experience. They learnt key skills like how 2D sketch is developed into 3D module, sketching methods for movies, how to provide character with light and texture, how the character is shaped and seen that does not get torn when rigged etc.

Students also visited The Mirare Interactive Company in Bengaluru. They learnt how to create Virtual Reality, animation procedures required for gaming industry, fine tuning process of story board characters at the company.
