

FRIENDS OF POLICE

ANNUAL REPORT 2018-19

ABOUT:

The movement was started by Dr Prateep.V.Philip IPS in the year 1993, in our college it was started in the year 2008. FOP is a part of community policing under the Police Public Partnership Program with aim to work in solidarity to search for solutions to ensure security and safety within the individual communities. The FOP is mainly focused on:

- Bringing police and public close
- Right information at the right time.
- To promote crime awareness among the people and enable prevention of crimes.
- To act as a force multiplier by involving the FOPs in community policing. With the existing low police-public ratio, FOPs along with Police can deter and prevent crimes.
