- Orion
- SPARK
- Campus clean up
- Ice Breaker

RHINO RALLY

The event was conducted on **OCTOBER 4TH** at **Marina Beach**. On 4TH at 06:00 am around **35 students** assembled at the beach. The event was flagged off at LIGHT HOUSE and it ended at THE LABOUR'S STATUE. Event concluded at 09:00 am. Each and every student was provided with refreshments.

CAUSE : To support Rhino's and Elephants.

Our Role : Students carried banners and placards. We read slogans. Shared the message among all bystanders.

MY FLAG MY INDIA

On December 7TH the Rotaract District 3230 created a new record for largest human flag. **60 students** participated in the MEGA EVENT. The avenue was YMCA Nandanam.

It started at 7 am and was over by 9 am.

BEACH CLEAN UP

14TH December 50 *of our students* actively took part in the beach cleanup.

At 3pm students assembled at Marina beach and cleaned the beach. Our students were very inspired and were willing to serve for social purposes. The boys were provided with plastic bags and gloves to go around and pick up all the waste which was on the beach sand. Following the event a small recreational activity was conducted. All students got to interact and play.

Orion

Event was conducted on January 9th in college premises at 1 30 pm. Last year's Rotaractor of the year Mr. M.Rakesh briefed the students about the club and his experience. Alongside, several award winners from last year were present to encourage the Green Rotaractors. We had **50 students** in attendance. The boys were inspired and interacted with zeal. Where doubts were raised it was all cleared.

SPARK 2015

The Annual District Rotaract Conference SPARK was held on 21st and 22nd February, 2015 in which more than 25 students actively participated.

CAMPUS CLEAN UP

A campus clean up drive was organized on 24th February, 2015 in which 55 of the Green Rotaractors took part. The students were made aware of the need to maintain their surroundings clean.

ICE BREAKER

An ice breaker session was held on 27th February, 2015. It was a sharing and interactive session in which the Green Rotaractors took an active part.
