REPORT

The Webinar on “Money Management” was conducted on 4th December 2021 from 4:30 p.m. to 5:30 p.m. through Google Meet. The guest speaker for the Webinar was CA Darshana Rampuria, who has a valuable experience of over eight years in the field of Business Consulting and Debt capital raising. She holds expertise in providing solutions to emerging corporates/SMEs with her analytical and execution skills. She has been an investment banker and an integral part of some SME IPOs. She had led teams for debt capital raising and business advisory in Kolkata & Mumbai.

The target audience for the webinar was 3rd year B.Com students who opted Finance as their specialization and 2nd year M.Com students. It was a Certified Webinar hence all the students who participated in the webinar were awarded a certificate from Bombay Stock Exchange (BSE). Around 100 students attended the Webinar and the guest speaker was very much delighted and the session was interactive with students’ active involvement.

The guest speaker CA Darshana Rampuria highlighted the basics of saving and investment gave a vivid explanation of the safety guidelines while investing. She enlightened the participants on how to use the savings in a potential manner. She urged that the students of today are the future investors and brought the importance their clear understanding of the investment perspectives which are productive and support economic development and the investments which are not safe.

After the speech, the floor was open for the questions wherein students got their doubts clarified by the guest speaker. The Webinar was well received by the students Darshana Rampuria was happy with how it was organized and how interactive the students were. The students were also happy to learn the basics of money management . At the end, the participants were awarded a certificates.
