REPORT ON CHRISTMAS CELEBRATION – 2022

Date: 23-12-2022

Place: CES 09 & 10

With the Start of the Festive Season, office bearers of the Commerce Forum and the faculty members of the Department of Commerce (Shift – II) started preparing for the Christmas celebration with the making of the Crib with the theme “Harmony & Peace”. This theme was chosen to express love and peace to overcome the War situation and to bring harmony among the citizens of the world. Office bearers organized the celebrations on the 23rd December, 2022 by decorating the department with stars, decors and Christmas tree.

Christmas Crib Decoration by the Commerce Forum Office Bearers

Key Takeaway:

- Promoting love, Kindness, Equality, Forgiveness, and Prosperity in everyone’s life;
- Creating awareness on the effect of war and loss, that it created in the society;
- Measures to stop the war and help those who are in need and promote Happiness.

Carols Singing Competition:

The students of the department showed their solidarity by participating in various inter-department Competitions such as Christmas crib making, Carol’s singing competition, and Cooking without fire.

The Carols Team

The students also participated in the carols singing competition and performed songs in all the classrooms signifying the purpose of celebrating Christmas, and shared Christmas greetings to all the students.

Cooking without fire

The students and staff participated together in the cooking without fire competition and foods were made together by the staff and students.

The celebration ended with thanksgiving and all the teachers and students shared their wishes and celebrated the festival joyfully.
