ABOUT THE EVENT

OBJECTIVE OF THE EVENT

The main purpose of organizing the event was to enhance and develop the leadership skills of the recently elected and selected office bearers of the commerce forum, class representatives and the student placement representatives of the commerce department. This initiative was undertaken to equip the office bearers with the necessary qualities and abilities to become exceptional leaders for the entire student body within the commerce programme. The distinguished trainer for the occasion, Mr. Preejo TJ, Corporate Trainer, TATA Electronics, Bangalore, an illustrious alumnus of the Department of Commerce 2007-2010 batch and senior consultant specializing in leadership and learning development, was invited to share his valuable expertise with the newly elected members and to train them with exceptional leadership skills and foster holistic growth within the department.

Summary of the Event:

Dr. Prasanna Kumar, the Commerce Department Coordinator, commenced his opening speech by expressing gratitude to the esteemed chief guest for enthusiastically accepting the invitation. He also extended a warm welcome to the students, highlighting the significance of effective communication in leadership. Dr. Alexander Yobu, the Dean of Arts, expressed gratitude to the chief guest and offered his congratulations to the recently elected office bearers. He also emphasized the importance of training for these newly chosen leaders.

The resource person and trainer Mr. Preejo TJ, taught students how to walk, talk, and stand like a leader. To demonstrate how to walk like a leader, he also led the pupils in a ramp walk. The program was activity based and the first activity was the Hakka dance, a collective tribal dance of the Mauri tribe. The students were divided into five groups by Mr. Preejo, who also designated a captain and commander for each group. To assess each group's synchronization and precision, he taught several techniques and asked them to perform them. Mr. Preejo then presented a situation for the second activity and asked each group to build a strategy to overcome the situation to check their planning and strategy.

Key takeaways from the event:

- Getting maximum use of the resources.
- Learn from other's mistakes.
- Attitude to learn and bounce back from one's own mistakes.
- Concentrate on the process and not on the results.
- Have the courage to admit the failure.
- Do not get complacent.
- Take ownership and responsibilities for the roles given to you.

Dr S. Prasanna Kumar, Coordinator.
