

## **Observing American Independence at the U.S Consulate General**

The media craft students along with Prof. IAJ Jeyadoss, Prof. D. Christina and Prof. Stephen Heldt took part in the celebrations of the American Independence at the U.S Consulate General on July 6, 2018. The occasion started off with light music by the two guest performers Mr. Jeff Gage and Mr. Eben Cathy. They also described American history and culture through music. They gave examples from various genres of music like patriotic, country, Jazz, and Blues and so on. It was followed by a question and answer session, where a member of the audience joined them on stage for a 'Beat boxing' segment, which both surprised and entertained the crowd.
