

**REPORT OF  
ERI, LOYOLA COLLEGE LAB VISIT  
FROM MADRAS CHRISTIAN COLLEGE  
MATRICULATION HR. SEC. SCHOOL,  
CHETPET, CHENNAI - 600 031.**

The students of Madras Christian College Matriculation Hr. Sec. School, Chetpet, Chennai visited Entomology Research Institute, Loyola College, Chennai on 12th November 2019 at 9.30 AM. 50 participants attended the special seminar on 'Creative solutions for Ecological crisis' delivered by Rev. Dr S. Maria Packiam, S.J., Director-ERI. The seminar covered the importance of mother earth along with eco-friendly practices followed on Loyola Campus such as Loyola STP, Biogas plant etc., subsequently, the students visited various laboratories at ERI to understand the different kind of research and techniques. They got to see many molecular instruments such as RT-PCR Lab, Biodiversity Lab, STP Lab, and mosquito control Lab. All in all, they had a very good time and we received positive feedback.
