The IQAC NEWSLETTER (2022-23)

**The Internal Quality Assurance Cell (IQAC)
Loyola College, Chennai - 34**

EDITORIAL

A paradigm shift has been noticed in higher education in India, from 'national education' to 'global education', from 'one time education for a few' to 'lifelong education for all', from 'teacher-centric education' to 'learner-centric education'. These changes present new demands and pose fresh challenges to the established education systems and practices in the country. All the plans for the growth and development of Loyola College are steered by the four key principles of access, equity, accountability and quality. In 2022-2023, the IQAC of Loyola College has successfully implemented innovative ways to improve quality in pedagogical methods, industry-oriented research and holistic formation of the students. Strategies were introduced keeping in mind the internationalization of education and in the spirit of inclusiveness.
