May 17, 2020

Dear Professors,

Greetings!

IQAC is happy to organize a **Faculty Development Program** with a **series of webinar sessions** from **20 - 28, May 2020** on the theme: **"Technology-Enabled Pedagogical Techniques in Higher Education".** Please find the details in the Flyer attached below. There will be follow-up activities and feedback at the end of every session. You are, kindly, requested to actively participate and earn an FDP certificate.

The webinar is hosted on Loyola LMS platform at the link http://iqac.loyolacollege.edu/academic/lms/. Sign in with your details and find "Faculty Development Programme" which is placed below the menu, "Create Courses". There will be provisions for you to raise questions to the presenter through typing. Responses to your questions will be provided during the question hour which will be after the presentation. Also you can find facility to take notes and download the same when the session is completed. Should you require any technical assistance, you can also find an icon, "Ask Admin" to help you with. During the webinar, there will be polls conducted by the Resource Person in order to collect your views and opinions on the topic of the session. You are requested to be available in time for the webinar and participate actively in the polls.

For any queries, please email: iqac@loyolacollege.edu.

Looking forward to seeing your active participation in the webinars.

Thank you,

Regards,

Rev. Dr. A. Thomas SJ
Principal

"Online learning is not the next big thing, it is the now big thing."
- Donna J. Abernathy

"Teachers need to integrate technology seamlessly into the curriculum instead of viewing it as an add-on, an afterthought, or an event."
– Heidi-Hayes Jacobs
