

Round Table Discussions

Round Table Discussions on specific themes were organized by LISSTAR.

On 27th November 2017, the first ever **Social Sciences Round table** brought scholars within and outside Chennai to look at critically the status of Social Science research and courses in the country.

A **Round Table on Loneliness** to look at loneliness from the lenses of society and culture was also organized. Fulbright scholar in the campus Dr. Wenger and Fr. Francis Jayapathy SJ, initiated the discussion and that was followed by researchers and practitioners from different fields of social science discipline. The participants suggested a symposium as a sequel to the roundtable on 'loneliness'. This was held on 15th February 2018. 22 participants attended the round table discussions.
