

## **Vizhithiru**

On 10<sup>th</sup> November 2017, Mr. Meera Kathiravan had an interactive session with the students of Film Making, Film Editing and Cinematography. He explained about his cine industry experience and gave a summary about *Vizhithiru* movie. The students along with their faculty members had watched his movie *Vizhithiru* at Express Avenue on the previous day.

The students asked him how he got the idea for the story. He responded that the movie script was based on his personal experience. Then he added that he wanted to tell the message to society through this cine media, to create the awareness about the caste issue in society and political influence to overcome the issue.

He said that he always would like to work on a concept based script instead of commercially based script. He also shared about the casting selection, cinematographer selection and location selection. This movie was shot in and around Chennai city during the night times.

This film *vizhithiru* script was written in 2012 and the film was ready by 2014 end, but due to some financial and political issues he could not release the movie at that time. He shared his experience about the hard journey between 2012, when the script was written, and 2017 when the movie was released.
