

8 Thottakal

The direction and technical team of the Tamil movie *8 Thottakkal* shared their experiences in the Film Appreciation session on 22nd September 2017. The Film Making, Film Editing and Cinematography students gained insights from the team comprising Mr. Sri Ganesh (Writer & Director), Mr. Dinesh K. Babu (Cinematographer), Mr. Nagooran (Editor) and Mr. K.S.Sundaramurthy (Musician).

Mr. Sri Ganesh shared his views initially on making of *8 Thottakkal* from script to releasing of the movie. He shared the interesting moments during pre-production, casting selection, shooting and post-production stage with the students. Since the team was well formed, it was easy to work in the shooting spot and post-production and to complete the movie on time.

Mr. Dinesh explained about his experience on this movie shoot and the camera, lens, lighting techniques used in the movie and interesting moments in the shooting and DI work.

Mr. Nagooran shared his views on the editing of the film. He said that an editor must understand the director's intention, so that it would be easy to edit.

Mr. K.S.Sundaramurthy briefed about his music synchronization with the film script and its uniqueness to this movie.
