

Camera- 360 Degree

Dr. Vikram Shrivastava is a Director of Photography from Mumbai and an alumnus of FTII, Pune. He started his career in Gubbachigalu (95min / Kannada – EST / 35mm / 2008) which won National Award for Best Children. Then he worked with various movies of Marathi and Kannada as a DOP. Further he worked as a D.O. in the movie The Experiment (English/Feature length/Completed/2010).

He had an interactive and activity based session with cinematography students on 24th October 2017. He started the session with explaining about the rules of 360 Degree. Then he demonstrated the same in the classroom. Further he has asked each student to demonstrate the same. Finally the students had an interaction and clarified their doubts on 360 degree.

Class representative Mr. Ganesh gave the welcome address. Course Coordinator Mr. Gowri Shankar introduced the guest. Assistant class representative Ms. Chitra presented the guest with a memento and a book.
