

## Fr. Racine Endowment Lecture 2015

Racine Endowment Lecture is organized annually in memory of Rev. Dr. Charles Racine S. J., Former Head, Department of Mathematics, Loyola College, Chennai. This year the lecture was organized on 1<sup>st</sup> September, 2015 in Lawrence Sundaram Auditorium. Dr. Satish Kumar Ramakrishna, Yale University, USA delivered the lecture on “Bio-inspired Nanostructures as Core Components for Controlled Nucleation and Technology Development”. The faculty members, research scholars, post graduate students of Department of Mathematics were present for the lecture. Interested Scholars from other departments were also present.
