

Seminar on Astronomy and Night Sky Observation

Invitation

CHRISTOPH SCHEINER ASTROPHYSICS LAB
DEPARTMENT OF PHYSICS

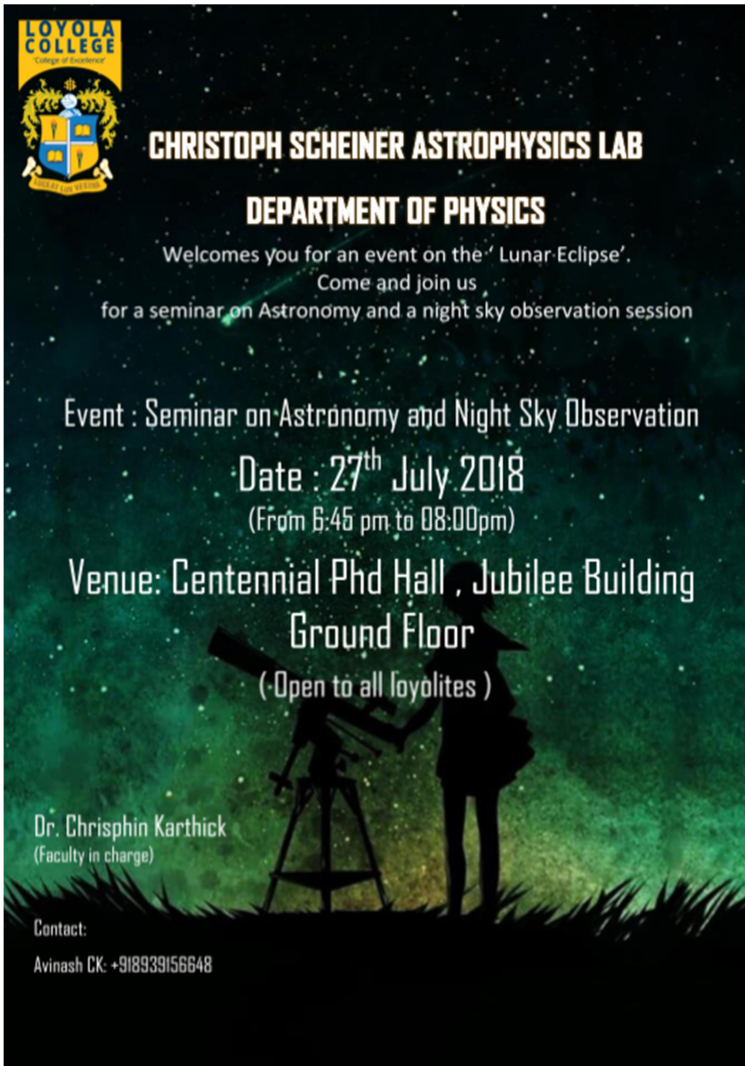

Welcomes you for an event on the 'Lunar-Eclipse'.
Come and join us
for a seminar on Astronomy and a night sky observation session

Event : Seminar on Astronomy and Night Sky Observation
Date : 27th July 2018
(From 6:45 pm to 08:00pm)

Venue: Centennial Phd Hall , Jubilee Building
Ground Floor
(Open to all Loyolites)

Dr. Chrisphin Karthick
(Faculty in charge)

Contact:
Avinash CK: +9189339156648

TOTAL LUNAR ECLIPSE NIGHT SKY OBSERVATION

INVITATION

**Christopher Schenier Astrophysics Lab
Department of Physics
Loyola College**

Welcomes you for an event on the 'Lunar Eclipse'
Come, get mystified with the secrets of the space by joining us for a
"Star Party"

Event: Total Lunar Eclipse and Night Sky Observation
Date: 31 st January 2018
(Begins at 06.04 pm to 09.38 pm; Peaks at 06.59 pm)
Duration: 3 Hours 34 Minutes
Venue: Roof Top - Jubilee Building, Loyola College, Chennai.

People further interested in Astronomy related activities
can follow the **Astronomy Club of the Physics Department** on it's **Facebook** page
at 'Astronomy Club of Loyola College'
(Open to all Departments)

Dr. Chrisphin Karthick
(Faculty in Charge)

Contact:
Avinash: +91 8939156648
Vedant: +91 9952028886

About the Event: A lunar eclipse can only occur at a full moon. A total lunar eclipse can happen only when the Sun, Earth and Moon are perfectly in line. The phenomenon that is to occur on 31 st January 2018 happens only once in 150 years!

Christoph Schenier Astrophysics Lab
Department of Physics
Loyola College

Invites you for a mystifying talk on The Lunar Mission, Radio Astronomy & Asteroseismology, followed by a documentary film!

#dearMoon

Date: Saturday, 29th September

Time: 6:30PM - 8:00PM

Venue: PHD Hall, Dept of Physics, Loyola College

Dr. Chrispin Karthick (Faculty in charge)
