

Monthly Program Report – August 2019

Resource Centre for the Differently Abled (RCDA)

The resource centre has organized year-wise interaction sessions for the differently abled students on 14 and 16 August 2019. The parents meeting was organized on 24 August 2019. Discussions were held on the programs and activities of the resource centre. Oral examination was conducted for the visually challenged students of I UG on basic computer skills on 28 August 2019. Most of the students performed well. Regular computer classes and music classes were conducted for the visually challenged and for the differently abled students.

Interaction Session with Students held on 14.08.19

Parents Meeting held on 24.08.19
