

## **Monthly Program Report – December 2019**

### **Resource Centre for the Differently Abled ( RCDA)**

The annual meet of Help the Blind Foundation was held on 8 December 2019 in which our visually challenged students performed group songs and played music for the song performances of other participants and received rounds of applause by the audience. The administrative members, staff and students visited the Little Sisters for the Poor, home for the old aged, Chetpet, Chennai, on 13 December 2019 and celebrated Christmas along with the grandparents. About twenty visually challenged students cheerfully took part. They entertained the grandparents with Christmas carols and songs. The grandparents also enthusiastically joined the students. The differently abled students and the staff members contributed funds to the home.
