Interactive Session

RCDA organized an interactive session for the differently abled students with Rev. Fr. Principal on 13th February 2018. Around fifty students were present during the session. The students narrated their experiences in the College and usefulness of the resource center. The first year UG students said that the resource centre (RCDA) was very useful in imparting computer knowledge. They thanked Rev. Fr. Principal for the music classes which helped them learn and compose music. Father Principal encouraged the students to make use of the facilities available and motivated them by announcing cash awards for the best performers in academics, sports and music. Students were overwhelmed by the friendly approach of the Principal.
