## **Orientation : 30/11/2016**

A simple orientation program for the Green Rotaractors was held at the Commerce Block from 11:30a.m. All the board members and the faculty in-charge were present throughout for orientation, which lasted for about 1 hour. This opportunity was used by the board members to provide a brief yet thorough instructions and brief history of the Rotaract organization. After the welcome address the board members were introduced by the Club President. The board members delivered series of talks to the Green Rotaractors encouraging them to actively participate in the club events and to pitch in new ideas and project for the operating year.

Few of the enthusiastic Green Rotaractors gave ideas for projects on the spot and was immediately accepted by the board members. The Green Rotaractors were voluntarily coming up to join the cultural teams and few members were interested in enrolling for the annual Rotary Youth Leadership Award. The details of the club members were collected simultaneously while checking the candidates present. This effective orientation ended after an address from the Faculty coordinator .

## Club Office reorganised and Cleaned: 03/12/2016

The first club service project of the year was the cleaning and reorganisation of the club office. The board members assembled at the club office on 3<sup>rd</sup> December for this task. The existing cleaning equipment of the club was used. The first task was to sort out the things that were useful to the club and the non-useful items were dumped in a box later to be thrown out. The tables, chairs, cupboard and the almirah were repositioned. The board members split up into two groups where one group cleaned the dust, waste and discarded items and the other mopped the floor cleanly after that. This task of cleaning and properly reorganising took about 2 hours to complete to make the club prepared for the year.

Pudhu Varsha Vazhthu -08/01/2017

The first Community service project for the year was Pudhu Varsha Vazhthu meaning New Year Greetings. This project was conducted in Bala Vihar Ashram for the Intellectually disabled Children and people. The club members visited this ashram to provide the required items which were collected by the club members. An hour spent with the special children by playing, dancing and singing created a deep impact on the hearts of our club members who went there. It made us realise how gifted we are. Instead of living selfishly the joy of living should be shared and services should be done for the society which will ultimately benefit us too. After a small interaction with the Staffs of the Ashram, the members came out with a feeling of happiness and satisfaction.
