DEPARTMENT OF
SOCIAL WORK
LOYOLA COLLEGE, CHENNAI

Cordially invites you for..

CHIID FeSt -2K19

The Department of Social work, Loyola College organizes Child fest every year to engage with Children in a meaningful way. Child Fest creates a platform to overcome fears and build their self confidence in children. The theme of the Child fest 2019 is “Inclusiveness”.

We have planned to conduct non-competitive and cooperative indigenous games. Cooperative games stimulates a positive engagement among the children. This would make the children understand the values of inclusion and teamwork. Child fest as an event intends to foster healthy relationships with one another irrespective of their backgrounds and identities.
