## **Report on Loyola Sociology Alumni (LSA) Meet held on Loyola Alumni Day (LAD), 06<sup>th</sup> August 2023.**

Loyola Sociology Alumni (LSA) meet was held on Loyola Alumni Day (LAD), 06<sup>th</sup> August 2023. The information about the meeting was circulated through the Loyola Alumni Association and a WhatsApp group formed exclusively for the Alumni of the department.

Alumni of various batches (Undergraduate batches - GI, HI, II, LI, PI, QI, RI, SI, 03SO, 07SO, 08SO, 11SO, 12SO, 13USO, 14SO, 15SO, 16USO, 17USO, 18USO, 19USO, 20USO and Postgraduate Batches - 07PSO, 09PSO, 10PSO, 17PSO, 19PSO, 21PSO, 22PSO), around 68 participants gathered in the room allotted for Sociology Department - MF11. The department interaction began around 4.30 p.m. with a welcome address given by Dr. J. Vanitha, Head of the Department. Followed by her welcome address, sharing of experiences by retired professors and alumni about the college, began with a reminiscence. Prof. S. Stanislaus and Prof. C.S. Robert Bellarmine shared their experiences during their tenure in the college. A video was projected with the group photos of all alumni UG and PG batches which was prepared by Mr. Senan, II PG student. Of the alumni, few of them shared their memories of the department and the college. The retired professors were then honoured with a memento. The floor was then open for individual interaction between the professors and alumni. The department interaction ended with a photo session, after which everyone proceeded to chapter interaction followed by the inaugural event in the Jubilee Quadrangle. A few alumni joined directly in the celebration held in Jubilee Quadrangle and met the professors in the department.
