photographing the urban & the wild...

jothiranjana b

Jothiranjana traverses the urban and the wild with equal aplomb. The brilliant aerial Loyola campus visual tour is credit to this young star who shot it during his Viscom days. From cinematography to wildlife photography, he excels at everything. His pictures won the 2018 Better Photography awards. Shooting for wildlife causes and green projects with NGOs like the WWF are his forte. https://www.instagram.com/jothi_ranjana/?hl=en

photography is both love & life...

sukil tarnas

Sukil worked and studied at the Light and Life Academy post his Viscom course at Loyola. He has assisted industry greats like Iqbal Mohamad, Sharad Haksar and Sundar Ramu. He runs www.weddingchronicles.in & www.sukilandkhushboo.com in partnership with his wife Khushboo. His workshops are much sought after, when he finds the time to offer them. A great career, a loving family, Sukil is the professional to emulate.

photography is energy & passion...

harson bnk

Harson is known for his vibrant energy and passion for fashion photography. Following his Viscom course, he worked with both Nithin Bharat and G. Venketram. He is today one of the most preferred photographers of top celebrities and designers in both Chennai and Bengaluru. Harson is an example that age does not matter for success.
