

Christmas Carols

As Christmas season lingered around, the yuletide Carol began tinkling in our hostel. The hostel was visited by St. Theresa parish on 1.12.2019. There were enormous adults and children from the parish. They entered the hostel singing carols and filled the hostel with Christmas vibes. All the inmates gathered in the lobby to enjoy the Christmas Carols and enjoyed to their fullest in singing the songs. The Parish Rev. Fr. Jacob Albert gave the students a lovely message on, how to make this Christmas a fruitful season of joy, by asking the students to lend their hands to people who are in need. He insisted on the sharing of love that each Christian should do. The arrival of Santa added more liveliness to the day. The carols ended with a loud proclaim to our baby Jesus.
