

## **PG-ORIENTATION PROGRAMME**

LOIRA organised a 4-day **PG Orientation Programme** spread across 17th, 18th, 19th July and 11th August 2023.

The programme featured eminent speakers like Dr. Bernard Sami, Dr. Mallika Joseph, Dr. Lawrence Prabhakar, and Dr. Joe Thomas Karackattu.

The sessions covered various aspects of International Relations (IR) including course dimensions, career options, historical roots of diplomacy, and the study of Area Studies.

Through interactive activities and lectures, the programme provided incoming PG students with valuable insights into the field of IR and equipped them for their academic journey.
